

ANANY CHATURVEDI

Student in Computer Science and Engineering

9454784244 • ananychaturvedi2003@gmail.com • LinkedIn • Lucknow, Uttar Pradesh

Summary

I am a dedicated Computer Science and Engineering student with a passion for Web Development and Artificial Intelligence. I am committed to continuous learning and seek opportunities to enhance my technical skills while contributing to my field. I aim to excel in Artificial Intelligence and leverage my knowledge to drive both organizational and societal improvement.

Education

La Martiniere College	Lucknow
Class 10th Percentage : 97.2	2008 - 2020
CMS Mahanagar	Lucknow
Class 12th Percentage : 97.75	2020 - 2022
VIT Bhopal University	Bhopal
Bachelor of Technology in Computer Science and Engineering CGPA : 8.84	2022 - Present

Projects

Face Recognition Attendance System	2023
A system that uses AI for attendance tracking with a face recognition feature and a chatbot for handling queries.	
<ul style="list-style-type: none">Built with Python, OpenCV, Tkinter GUI, SQL, and Haar Cascade algorithm for face detection and recognition.Provides contactless attendance tracking with 77% recognition accuracy and robust detection under varied lighting conditions.Utilizes LBPH algorithm for face recognition and includes an AI-assisted chatbot for improved query matching.Delivers a secure, automated, and efficient attendance system with 14% false-positive reduction.	
Multi-Vendor E-Commerce Website	2024
A multi-vendor e-commerce platform providing seamless user experience and optimized performance.	
<ul style="list-style-type: none">Built using Next.js 13, React, Tailwind CSS, Prisma, MongoDB, Clerk, and Cloudinary for a scalable e-commerce platform.Features enhanced security with Clerk authentication and optimized database management with Prisma and MongoDB.Includes multi-vendor support, secure transactions, and real-time inventory tracking.Achieved an average page load time of 850ms and server response time of 120ms.	

Skills

Artificial Intelligence • CSS • Database Management • Java • Javascript • Machine Learning • MongoDB • Next.js • NLP • OpenCV • Python • Spacy • SQL • Tailwind CSS • C++

Interests

Avid Reader and Sketching Enthusiast
Pursued interests in literature and art, fostering creativity and holistic development.

Quizzing
Participated in quizzes for 6 consecutive years, showcasing knowledge and teamwork.
